STUDENT RIGHTS TO CANCEL (cont'd)

PRO BARBER COLLEGE

A Student may cancel this agreement at anytime by notifying the School in writing (a **"NOTICE OF CANCELLATION"** is provided).

Full refund is only applied if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. STRF fees are refundable if a student withdraws during this period and given a full refund. STRF fees are **non refundable** after this cancellation period passes. After this 100 percent refund cancellation period has passed, the refund to be paid to a student shall be calculated by deducting the registration and STRF fees from the program's total charges for a period of attendance and dividing this figure by the total number of program's clock hours. The quotient is the hourly charge for the instruction. The amount of monies owed by the student for the purpose of calculating a refund is derived by multiplying the total hours the student had attended by the hourly charge for instruction. The amount of the refund to which a student would be entitled (after completing a period of days or weeks of instruction) will be calculated by deducting both the amount monies owed by the students and the non-refundable fees (registration and STRF) from the total charges of the program for the period of attendance (See Example 2 below). There will be no tuition refund for students who have completed **61 percent and more of the period of attendance of the program**. The institution will pay or credit refunds within 45 days of a student's cancellation or withdrawal.

COMPLETION / EXAMINATION PASSAGE RATE FOR BARBER LICENSE:

Both Pro Barber Colleges hold a passing rate at the State Board exam of 95% since opening. This information will be updated regularly if and when the passing rate changes. The 5% that failed the first time passed the second time to allow a 100% passing rate. We allow all students to come back to school free of charges if they need to retake the exam. Visit our exam results at: barbercosmo.ca.gov, look for the left side link "schools", click schools, then performance. At that point you can scroll down to see each quarter, the number of students that took the exam, how many passed in that quarter, and how many failed.

PLACEMENT RATE

Our college does not guarantee job placement upon graduation. We do attempt to locate employment for graduates who request assistance. Reasonable efforts will be made to assist a graduate in gaining employment. The more flexible a graduate can be regarding placement, the easier it is for the college to assist. The colleges maintain a "**Job Bulletin Board**" listing the current employment opportunities, as well as a listing of Barber/Styling shops for sale; this is updated and posted as information dictates. The school does not guarantee a level of income/wages to any graduate.

Initial _____

Most students during the 1500 hour course have found employment through contact with other students; same employment where the previous students found work, family or friends that own shops or where the student looked for work while still attending school. Some students went straight into ownership after employment and employed other recent graduates. Our school receives requests for barbers monthly, more than the school can provide. Few barber students use our connections. We do assist but do not guarantee. To our schools knowledge, we have a 95% rate for students finding suitable employment after licensure.

Initial _____

SALARIES AND WAGES IN THIS FIELD OF WORK:

A student who completes the course and obtains the required license then enters the barbering industry. Shops pay commission, chair rental or hourly wages. **Commissions** vary, but the barber will receive an average somewhere between 60% and 70% of the money received from services he/she performed.

SCHOOL PERFORMANCE FACT SHEET (cont'd)

PRO BARBER COLLEGE

For **hourly wage**, the California Law requires payment of at least the minimum wage per hour. Most shops, that offer hourly wage are corporate (chains) shops (i.e., Fantastic Sams, Super Cuts) and they offer much more than minimum wage and many incentives such as; medical insurance, continued education and bonuses of money.

Chair rentals range from \$100.00 to \$250.00 per week; depending on the location of the shop. If the owner pays high shop rent, usually the prices for services in the shop are higher and the barber makes more income to afford the chair rental price. The school suggests students after licensure, to go into a shop that allows the % basis until the student reaches a suitable income and then request to rent the chair. At that point, any income received above the chair rental is the income for the barber. For chair rental you are considered an Independent contractor and must be allowed a key, make your own hours and keep your own appointment schedule.

STUDENT'S RIGHT TO CANCEL

A Student may cancel this agreement at anytime by notifying the School in writing (a **"NOTICE OF CANCELLATION"** is provided).

After this 100 percent refund cancellation period has passed, the refund to be paid to a student shall be calculated by deducting the registration and STRF fees from the program's total charges for a period of attendance and dividing this figure by the total number of program's clock hours. The quotient is the hourly charge for the instruction. The amount of monies owed by the student for the purpose of calculating a refund is derived by multiplying the total hours the student had attended by the hourly charge for instruction. The amount of the refund to which a student would be entitled (after completing a period of days or weeks of instruction) will be calculated by deducting both the amount monies owed by the students and the non-refundable fees (registration and STRF) from the total charges of the program for the period of attendance (See Example 2 below). There will be no tuition refund for students who have completed 60 percent and more of the period of attendance of the program. The institution will pay or credit refunds within 45 days of a student's cancellation or withdrawal.

You have the right to withdraw from a course of institution at any time. If you withdraw from the course of institution after the period allowed for cancellation of the agreement, which is until the fifth day of class session, or the seventh (7) calendar day after enrollment, whichever is later, the school will remit a refund less a registration fee, if applicable, within 30 days following your withdraw. You are obligated to pay only

for educational services rendered and for unreturned equipment. IF THE AMOUNT YOU HAVE PAID IS MORE THAN THE AMOUNT YOU OWE FOR TIME YOU ATTENDED, THEN A REFUND

PRO BARBER COLLEGE

WILL BE MADE WITHIN 30 DAYS OF WITHDRAWAL. IF THE AMOUNT YOU OWE IS MORE THAN THE AMOUNT YOU HAVE ALREADY PAY, THEN WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.
